## ANDREA RITORNA IN PISTA NEL MONDIALE SUPERSPORT A DONINGTON

Dopo una lunga pausa Andrea e il Team EvanBros sono pronti a tornare in pista nel Mondiale SuperSport, in particolare sul tracciato inglese di Donington Park, famoso circuito perchè 35 anni fa si corse il primo round del campionato mondiale Superbike.

La lunga sosta, dopo l'ultima gara, ha permesso al Team EvanBros di lavorare con tranquillità per mettere a punto la Yamaha R6, da parte sua nel frattempo Manto ha continuato ad allenarsi senza sosta.

Forte anche gli ottimi risultati conseguiti recentemente in MotoE, Andrea ha immagazzinato una grande iniezione di fiducia e una forte motivazione a far sempre meglio anche in questo campionato.

Si arriva quindi al sesto round stagionale con la giusta carica e il desiderio di ottenere risultati migliori.

Sin dalle prime battute del 2023 Andrea ha mostrato segnali di crescita, l'aspetta comunque un appuntamento con un tracciato particolare come quello di Donington, anche se il circuito non è del tutto sconosciuto al centauro dell'Evan Bros Racing Team, in quanto ci corse nel 2016 con la Super-Stock 1000.

Il weekend di Donington si aprirà come di consueto venerdì, con i primi due turni di prove libere. Sabato sarà il momento della Superpole e di Gara 1, che scatterà alle 16.15 CET, mentre domenica Gara 2 (ore 15.30 CET) completerà il programma del fine settimana. La Superpole e le due gare saranno visibili live su Sky Sport MotoGP, canale 208 di Sky.

**Fabio Evangelista (Team Principal):** “Andrea è in forma, si sta impegnando al massimo, quindi sono fiducioso.
